

GRADE 5 TECHNOLOGY ASSIGNMENT

TOUCH TYPING WITH TYPING CLUB

ALL LINKS CAN BE FOUND ON MY TECHNOLOGY WEEBLY PAGE:

<https://clanh-beebe.weebly.com/technology.html>

1. Before you begin I would like you to watch the following introductory videos:

- <https://safeYouTube.net/w/x5w2>
- <https://safeyoutube.net/w/BHhz/>

2. As a warm up go to

<https://typetastic.com/learn2.html>

Do lesson 1 – HOME ROW
(you can certainly do more if you
Want!)

3. I have set up all grade 5 students with a **Typing Club** account to practice your touch typing:

<http://cardinal-lacroix.typingclub.com/>

4. Your Typing Club account is directly linked to your new Google account so you can login using your gmail address and password.
5. The goal for all student is to practice for at least 45 minutes a week. I suggest 10-15 min a day would be best.
6. Progress through the lessons at this pace and see much progress you make. I will be checking your status over the next 3 weeks to see how you are progressing.

In ADDITION to using Typing Club you can also practice by using some of the games posted on my Weebly site:
